Simla, the 8th July, 1935.

From

H.W. Yeatts, Esquire, I.C.S.,

Offg. Deputy Secretary to the Govt. of India,

To

The Secretary to the Government of the

Central Provinces,

Medical Administration and Public

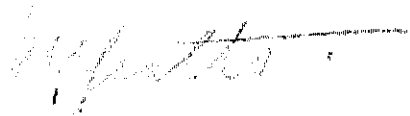

Health Department.

Free medical attendance on Central and
Provincial Government servants on a
reciprocal basis.

Sir,

I am directed to refer to paragraph 2 of this Department letter No.F.17/32-H., dated the 20th January, 1934, on the subject mentioned above and to say that if the attendance on European officers of the Superior Civil Services at Saugor and Kamptee involved a journey on the part of the Military Medical Officers of those stations, which in the ordinary circumstances would entitle them to other allowances, such as travelling, detention, etc., they are to receive such allowances subject to a minimum of Rs.5/- per visit, instead of the nominal fee of Rs.5/-, the charges being met out of Central Civil Funds, and the procedure indicated in this Department letter No.F.17/32-H., dated the 28th September, 1934, should be followed. Military estimates will however continue to meet these allowances if a military medical officer is away from headquarters on military duty and has to undertake a journey in order to attend on a civilian patient at headquarters.

I have the honour to be,
Sir,
Your most obedient servant,

Offg. Deputy Secretary.

Copy of a letter No.F.17/32-H, dated the 28th September 1934 from Offg. Deputy Secretary to the Government of India, Department of Education, Health and Lands, to the Secretary to the Government of the Central Provinces, Medical Administration and Public Health Department.

Free medical treatment of central and provincial Government servants on a reciprocal basis.

I am directed to refer to paragraph 2 of this Department letter No.F.17/32-H, dated the 20th January 1934, on the above subject, and to say that it has been decided to adopt the following procedure for payment of the fee of Rs.5 (five rupees) per visit to the European military medical officers stationed at Saugor and Ramptee for attending on European officers of the Superior Civil Services employed under the local Government at these stations :.

Military medical officers concerned should keep accounts of their visits and claim payments monthly from the Accountant General, Central Provinces, giving the dates of their visits and the names of the officers visited. The patients should also keep accounts of the visits of the military medical officers and inform the Accountant General, Central Provinces, monthly about the names of the medical officers and the dates on which they visited them. The Accountant General, Central Provinces, after exercising the necessary audit checks with reference to the information furnished by the patients will authorise the payments and adjust them finally in the central portion of his accounts.

2. I am to request that this procedure may be adopted if the local Government have no objection.
